

THIS ENDORSEMENT CHANGES THE POLICY, PLEASE READ IT CAREFULLY

TENTATIVE EXPERIENCE MODIFICATION

The premium for this policy is subject to adjustment by an experience rating modification.

The factor shown in the schedule below is a tentative experience modification which is subject to verification by the North Carolina Reinsurance Facility.

Experience incurred by companies other than the company establishing the rating must be used subject to the experience specified in the North Carolina Reinsurance Facility Automobile Liability Experience Rating Plan. We will adjust the premium effective from the inception date of the policy once a final experience modification has been promulgated.

SCHEDULE

1.50

Note:

1. This endorsement must be used when a tentative experience modification has been used.
