CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: **Experience Modification Worksheets**

Effective June 27, 2020, individual North Carolina experience modification worksheets are no longer available through the CDX EXR Search tool. Carriers do still have the ability to receive the daily experience modifier file through CDX via FTP.

Individual North Carolina experience modification worksheets can still be obtained using the Rate Bureau's WCRatings tool at [www.ncrb.org](http://www.ncrb.org). To access the NCRB portal, please contact your company's NCRB web administrator.

Please contact us at [support@ncrb.org](mailto:support@ncrb.org) or (919) 582-1056 with any further questions regarding experience modification worksheets.

Sincerely,

Jarred Chappell

Director, Workers Comp Operations
