CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Withdrawal of the Link Plus Policy Program

In 1983, the North Carolina Rate Bureau implemented the Link Plus Policy Program. This Program was designed as a combination automobile and homeowners policy program and tracked the individual monoline automobile and homeowners policy forms implemented by the Rate Bureau.

The Commissioner of Insurance has recently approved the withdrawal of the Link Plus Policy Program from use in North Carolina effective December 1, 2002.

In that regard, companies writing the Link Plus Policy Program should implement the necessary steps to cease writing this policy program on all business effective December 1, 2002.

Please see to it that this circular is brought to the attention of all interested personnel in your Company.

Very truly yours,

F. Timothy Lucas

Personal Lines Manager
