CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: In-Force Policy Count  
As of October 1, 2013

The attached two-page exhibit shows the count of Facility policies In-Force as of October 1, 2013.

The total in-force policy count is up 6.33% from October 1, 2012 — an increase of 6.48% for non-fleet private passenger policies and an increase of 1.82% for all other than private passenger policies.

With the transition to EDGE, we made improvements in our management system that result in a more accurate report, which better reflects cancellation, reinstatement and withdrawal activity. However, in this process there could appear to be unusual variances for individual carriers in their in-force counts making year-to-year comparisons difficult between 2010 and later years.

If you have any questions about this report, please call Bill Benton, Business Operations Analyst at 919-645-3187 or email him at [web@ncrb.org](mailto:web@ncrb.org).

Sincerely,

Edith T. Davis

Director, Reinsurance Facility
