CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance

Review Made September 1, 2011

The North Carolina Rate Bureau has filed the experience, data, statistics and information for Workers Compensation Insurance with the Department of Insurance, in accordance with Article 36 of Chapter 58 of the General Statutes of North Carolina.

As a review-only filing, no change has been requested to the Workers Compensation Loss Costs or the Assigned Risk Rates. The only changes that will be made to individual classification codes on April 1, 2012, will be the ones made in conjunction with transition filings that have been previously approved by the Department of Insurance and previously communicated via circular letter. These changes will be published at a later date and well before the effective date of April 1, 2012.

Please contact the Information Center at 919-582-1056 or via email at wcinfo@ncrb.org if you require additional information.
