CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Revised Automobile and Motorcycle Insurance Rates - 1999 Rate Filing

By Circular Letter to All Member Companies A-00-3 dated March 15, 2000, the Rate Bureau distributed to member companies numerous exhibits setting forth revised rates, rating factors, deductible relativities and other miscellaneous changes to be implemented effective September 1, 2000.

It has been brought to the Rate Bureau's attention that the material distributed with the March 15, 2000 circular letter did not include the new deductible relativities for \$50 deductible collision and comprehensive coverages. Following are the revised relativities which should be implemented effective September 1, 2000.

Coverages	\$50 Deductible Relativities
Comprehensive	.95
Collision	1.02

Very truly yours,

John W. Watkins
