CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Personal Auto Policy Revisions

By Circular Letter To All Member Companies dated October 26, 2005, this Bureau announced revisions to the North Carolina Personal Automobile Policy Program. These revisions are to become effective May 1, 2006.

A typographical error has been brought to our attention in Part C2-Combined Uninsured/Underinsured Motorist Coverage in the Personal Auto Policy NC 00 01 06 05. In the Insuring Agreement the paragraph that begins with "However, **underinsured motor vehicle** does not include any vehicle or equipment:". Paragraph 4 which says "Which is an uninsured motor vehicle." was included twice in that section.

In that regard, the second paragraph 4 of that section has been deleted. A revised NC 00 01 06 05 has now been posted on our web site.

Please see to it that this Circular is brought to the attention of all interested personnel within your company.

Very truly yours,

F. Timothy Lucas

Personal Lines Manager
