The following constitutes the agenda for the Annual Meeting:

1. The Annual Report

The Forty-First Annual Report will be presented.

2. Governing Committee Election

The Rate Bureau's Constitution provides that the Governing Committee shall be composed of six stock company members, six non-stock company members and two non-voting public members appointed by the Governor. With respect to the company members, the Constitution provides that at least one member of the Governing Committee shall be a company domiciled in North Carolina, and that

at each Annual Meeting the scheduled vacancies occurring in the Governing Committee shall be filled by the election of two stock and two non-stock companies to serve for terms of three years.

The current company members of the Governing Committee are:

The Constitution provides that no member shall be eligible to serve consecutively more than two three-year terms as a member of the Governing Committee. Of the four companies whose terms expire this year, Unitrin Auto & Home Insurance Company and United Services Automobile Association will not be eligible for re-election since those companies will be completing a second successive three-year term.

The Chairman of the Governing Committee has appointed a Nominating Committee, and the report of that Committee will be presented.

3. Any other business which might properly come before the meeting.

**We urge member companies to attend this meeting and we must have a quorum to execute any business. For those companies that cannot be represented in person, voting by proxy will be permitted. Proxy form information will be distributed separately in the very near future or can be provided upon request by contacting us at [proxies@ncrb.org](mailto:proxies@ncrb.org).**
