CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Introduction of Insurance Services Office  
Dwelling Policy Program (2002 Edition)

By Circular Letter To All Member Companies dated November 20, 2007, this Bureau notified member companies of the implementation of the Dwelling 2002 Policy Program. These revisions included policy forms, manual rules and the introduction of one new rate for Assisted Living Care Coverage. The Circular provided a link to the Department of Insurance for the Assisted Living Care Coverage rate and stated that the policy forms could be accessed through ISONet. However, it was not mentioned that the revised manual rules should also be accessed through ISONet. The manual rules are available through ISONet using the same login as the policy forms.
