CIRCULAR LETTER TO ALL MEMBER COMPANIES

SECOND
REQUEST

Re: Mobile Homeowners Policy Program

The Property Committee of the North Carolina Rate Bureau has recently voted to undertake the process of updating the Mobile Homeowners Policy Programs in North Carolina. The current programs, the MH(C) and MH(F), were developed in 1983 and were designed to track the then existing automobile and homeowner policy forms, respectively. These Programs have not been extensively updated since then.

The Property Committee has requested that a survey be conducted of all member companies to obtain input regarding possible changes to the Mobile Homeowners Policy Programs. In that regard, please find attached a survey to be completed by the individual in your Company who is most familiar with the writing of mobile homeowner business, particularly in North Carolina.

It is requested that this survey be completed and returned as soon as possible but in no event later than September 25, 2000.

If you have any questions concerning this matter please feel free to contact me.

Very truly yours,

F. Timothy Lucas
