CIRCULAR LETTER TO ALL MEMBER COMPANIES

Re: Workers Compensation Insurance
Loss Cost Multiplier Filing Information

As a service to member carriers, the North Carolina Rate Bureau (Bureau) provides a list of company-filed Loss Cost Multipliers (LCMs) on our public website. Currently, this list is updated monthly. In addition, NCCI uses the LCM information to populate the North Carolina detail in their industry tool, WorkComp Workstation.

Going forward, the list of company-filed LCMs will be published quarterly and contain abbreviated information and reference the SERFF filing information for more detail on the filing. SERFF filings can be found here: <https://filingaccess.serff.com/sfa/home/NC>. Also, the Bureau will no longer report pending filings but rather only those filings that have been approved at time of publication.

As a reminder and pursuant to NCGS §58-36-100, a copy of each member's LCM filing submitted to the North Carolina Department of Insurance must also be sent to the North Carolina Rate Bureau. These filings can be sent via email to wcfilings@ncrb.org.

Please ensure that this information is brought to the attention of interested personnel within your Company.

Sincerely,

Joanna Biliouris

Chief Operating Officer
