CIRCULAR LETTER TO ALL MEMBER COMPANIES

**Insurance Data Quality One-Day Workshop
October 21, 2009
Raleigh, NC**

The [North Carolina Rate Bureau \(NCRB\)](#) will partner with the [Insurance Data Management Association \(IDMA\)](#) to offer the *IDMA Insurance Data Quality One-Day Workshop* on October 21, 2009 at the Hilton North Raleigh.

This course is highly recommended for a wide audience including new hires, IT personnel who want to broaden their knowledge of the business side of insurance data management, anyone who manages data in the industry (statistical or financial data), and anyone who needs to use or communicate good quality data – from actuaries to underwriters. This class will offer participants an opportunity to learn about data quality principles and identify challenges that can hinder data quality. The full-day program will include practical discussions and a case study for interactive participation.

This class will be available at a price of \$179 per attendee, which includes:

- The *IDMA Insurance Data Quality* certification course (IDMA 2) study guide. A \$70 value.
- Sixty-day limited individual membership in IDMA
- Classroom instructions and handouts of training material
- Lunch and refreshments

Disclaimer: While this class will benefit those studying for the IDMA 2 certification course, it is NOT intended to be a study session for the IDMA 2 exam.

Please review the attached class agenda and email Delisa Fairley at <mailto:ddf@ncrb.org> if you are interested in attending this class. Detailed information on this class (registration, full agenda, and hotel accommodations) will be posted to the NCRB website (www.ncrb.org). On the Workers Compensation tab, the information can be viewed by selecting Carrier from the drop down menu and Data Reporting.

We look forward to seeing you in Raleigh in October!

Sincerely,

Sue Taylor

Director of Insurance Operations
