**VOLUNTARY COMPENSATION MARITIME COVERAGE ENDORSEMENT  
INSTRUCTION SHEET**

1. This endorsement is used to provide Voluntary Compensation Insurance coverage under Program II, as described in the ***North Carolina Basic Manual for Workers Compensation and Employers Liability*** for masters and members of crews of vessels.
2. This endorsement is used to provide voluntary compensation to the employees described in the Schedule. Employees are described by naming or describing the vessel to which they are attached.
3. When this endorsement is used, the Maritime Coverage Endorsement must be attached to the policy also.
