**DEFENSE BASE ACT COVERAGE ENDORSEMENT  
INSTRUCTION SHEET**

1. The Defense Base Act makes the Longshore and Harbor Workers' Compensation Act applicable to contractors performing work at overseas military bases, whether in a territory or possession of the United States or in a foreign country, and to various public works contracts performed outside the continental United States.
2. This endorsement provides workers compensation insurance and employers liability insurance for work subject to the Defense Base Act extension of the Longshore and Harbor Workers' Compensation Act.
3. The description of the work must include the location of the work being performed.
