# CIRCULAR LETTER TO ALL MEMBER COMPANIES

# Re: REVISED Reporting Changes - New Limit Code Options on Cessions

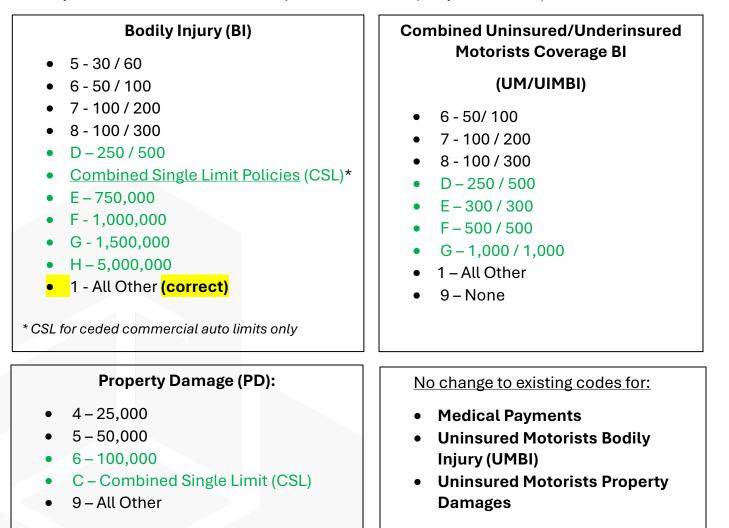

# New/Renewal Cessions effective on or after July 1,2025

## Summary:

- A type-o was found on *page three* of <u>RF 25-6</u>. (see highlights below)
- RF 25-6 correctly listed limit code "1-All Other" Bodily Injury (BI) on page one
- RF 25-6 incorrectly listed "9 All Other" Bodily Injury (BI) on page three.
- Important: For the Bodily Injury "All Other" category, use limit code 1 to avoid cession errors

# As this is a change to EDGE reporting, <u>this circular should be immediately brought to the attention</u> <u>of all interested personnel in your company responsible for programming, policy issuance or</u> <u>completing and submitting monthly accounting reports to the NCRF.</u>

Beginning with cessions effective July 1, 2025, and after, the NCRF is introducing new limit codes in green below. Carriers <u>will be required</u> to utilize accurate codes (*where applicable*) when submitting cessions to the Facility. The "All Other" code should *only* be used when the policy limit is not represented below.

## Member companies submit cessions to the NC Reinsurance Facility in two ways:

- 1. **32C report** (text file): The layout for this text file is not changing. Companies will simply have more limit codes to choose from in positions 39, 40 and 43. The new limit codes can be submitted on the 32C report beginning April 2, 2025. (90 days in advance of July 1, 2025)
- 2. **Online**: Cessions can also be created "online" directly on our EDGE website. On April 2, 2025 carriers will have more limit codes to select from in the drop-down fields in EDGE for BI, PD and Combined UM/UIM coverages.

**Important**: Carriers **should not** attempt to report any of the new limit codes in 32C reports or online in EDGE prior to April 2, 2025. Doing so will result in cession errors that <u>must be resolved manually</u> by the carrier.

The revisions to the Standard Practice Manual relevant to these EDGE programming changes are attached below. These changes will be published and shared in an upcoming circular with all member companies.

Questions regarding this circular letter should be directed to Kevin Braswell at 919-719-3029 or email at: <u>KDB@ncrb.org</u>.

Sincerely,

Terry F. Collins

**Chief Operating Officer** 

North Carolina Reinsurance Facility
