VIA E-MAIL

Re: Amendment to Commercial Auto Manual  
Social Service Clarification

The Commissioner of Insurance has recently approved changes to the Reinsurance Facility Commercial Automobile Manual. This change is designed to clarify that the Social Service Agency Automobile rule applies only to those automobiles owned and operated by persons or entities that contract directly with a social service agency and not those automobiles owned and operated by subcontractors. This applies only to those risks that are ceded to the Reinsurance Facility.

This change becomes effective in accordance with the following Rule of Application:

This change becomes effective with policies written on or after March 1, 2004.

Please see to it that this Circular is brought to the attention of all interested personnel in your company.

Very Truly Yours,

F. Timothy Lucas
